

Prof. Dr. Ulrich Schurr

Forschungszentrum Jülich

IBG-2: Plant Sciences and

Chair for Plant Sciences at University Düsseldorf

1982 – 1988	Studies Biology (University Bayreuth)
1988 – 1991	Ph.D. (Effect of soil drought on xylem and phloem transport in <i>Ricinus communis</i> and its importance for root-shoot interaction; University Bayreuth (Prof. Ernst-Detlev Schulze)
1991 – 2001	Group leader – Institute for Botany University Heidelberg (Prof. Mark Stitt)
2000	Habilitation – Botany (University Heidelberg)
2001 – present	Forschungszentrum Jülich Institute Director
2004 – 2011	Member of Executive Board of European Plant Science Organization (EPSO)
2006 – 2008	Research Director for Earth and Environment, Forschungszentrum Jülich
2006 – present	Member of Executive Board – European Technology Platform Plants for the Future
2008 – 2011	Vice President EPSO
2010 – present	Chairman of the Bioeconomy Science Centers (BioSC)
2012 – present	Coordinator - European Plant Phenotyping Network (EPPN)
2012 – present	Member Science Advisory Board - German Association for Private Plant Breeding/ GFPi
2012 – present	CEO - QS Science Fund - Fruits, Vegetables and Potato
2012 – present	Member of the Center of Excellence in Plant Sciences - CEPLAS
2012 – present	Coordinator of the German Plant Phenotyping Network (DPPN)
2013 – present	Program speaker for the Helmholtz Program Key Technologies for the Bioeconomy
2015 – 2017	Chairman of European Technology Platform Plant for the Future
2015 – present	President of the International Plant Phenotyping Network (IPPN e.V.)
2016 - present	Chairman of the ESFRI-project EMPHASIS European Infrastructure for Plant Phenotyping
2018 ff	Member of the Steering Committee of the Excellence Cluster CEPLAS – Cluster for Plant Sciences
2018 ff	Member of the Board of the Excellence Cluster PhenoRob – Robotics and Machine Learning for Plant Phenotyping and Precision Agriculture
2018 ff	Member of the ZKBS (Commission for Biological Safety of BMEL)
2018 ff	Member of the EPSO board and vice-president of EPSO
2019 ff	Coordinator of the Bioeconomy Region Rhineland within the Coal Phase Out regional development
